The 2023 TCS London Marathon on Sunday 23 April

The 43rd annual edition of the London Marathon takes place on Sunday 23 April 2023 and will require road closures and parking restrictions in your area.

This leaflet provides details of these closures and you'll find further information, including a list of vehicle crossing points to help drivers cross the route, at ***tcslondonmarathon.com/road-closures***

Advance warning signs will be displayed in affected roads in the build-up to the event and stewards and police officers will be present on Marathon Day itself to help answer your queries.

Thank you for your cooperation and understanding in helping to make the 2023 TCS London Marathon a success. The London Marathon is the world's biggest annual one-day fundraising event and has raised more than £1 billion for charity since it was founded in 1981. Your support will help our participants to add to this total at this year's event.
