PLUP, CHARLI AND THE CHICKENS

Once there was a girl named Charli and her rabbit, Plup. After 3 long years of fun with Charli and Plup, on Charli's birthday she got a phone for her present. Once she started playing with it she didnt pay any attention to Plup.

Plup tries to sleep with her but Charli pushes him away. As sad as he was he went to the barn and bonded with the chickens. The next day Charli broke her phone and gave attention to Plup.

As a month passed Plup finally introduced Charli to the chickens, Merli, Jo, Sho, Lychee, Pok. They start to bond and have fun together. After that Charli decided to never set eye on a gadget ever again. The end.
