Once upon a time there was a small city. The small city is called Jakarta. There were six friends who were playing together. They are called Belle, Chessi, Bro, Elvi, Max, and Msrnrf. They wanted to explore the jungle. The jungle is known as a dangerous jungle. They wanted to find a magic crystal to make everyone happy because in the city everyone is sad.

Chessi brought a magic sword to the jungle. Belle brought a big hammer. Msrnrf brought a magic wand. Max is a scientist and Bro is a builder who built the things. Elvi is the explorer who leads the group. When they arrived at the jungle, they met a giant spider. The spider has long legs, a small head, golden eyes, and a giant black body. The giant spider said, “You will never survive in this jungle!”. Then, the giant spider tried to capture Chessie but Chessie dodged. The spider then captured Bro instead. Bro said to the others, “Run!!!”. And everybody ran away.

When they ran away, they found a car with lots of fuel. They used a car to run away from the jungle. After Max saw that the spider is not chasing anymore, they found a teleportation stick. They used the teleportation stick to go to the city of bees because the city is more safe. When they arrived there, Elvi saw that there was a giant tower. Elvi remembered that there is a secret base under the giant tower. The secret base is full of guards and giant spiders. Elvi got an idea to find three-colored diamonds, blue, red, and green. The three-colored diamonds are to open the secret base.

So, Elvi and the gang searched for the three-colored diamonds. They looked at the bushes, flower garden, and in the trees. They managed to find the diamonds after a long search. Elvi and the gang went to the secret base and put the diamonds in the door. Elvi touched the blue diamond and when she touched the blue diamond, Elvi and the gang became invisible. Now, the guards cannot see them!

They went inside the secret base. Belle looked inside and there was a cage. And inside the cage, Bro was there! They saw that the giant spider has the key to the cage in their neck.

Elvi got an idea to make a trap, so the gang can take the key on the giant spider's neck. The idea was to use the honey that Max bought and used it to trap the spider in sticky honey. Elvi and the gang went to the giant spider and spread the honey on top of the giant spider. The giant spider then cannot move its legs and got trapped in the ground. Mrsmsf took the key in the giant spider's neck and went to the cage where Bro is trapped. When Bro was free, everyone used the red diamond to make them un-invisible. Bro said, "thank you".

When the guard came, Belle was terrified because they were being captured. Chessi took her sword and fought with the guard. Elvi and the gang won from the guards.

After that, Elvi and the gang went up to the giant tower from the secret base. When they got out of the secret base, they met a group of people. The group of people asked, “Did you find the secret base spider and kill the giant spider?”. And Elvi said, “Yes”. Then, that group of people said, “Follow us to go to our place”. Everyone followed the people and arrived at a big city named Surabaya.

In Surabaya, they met a king. The king said, “Thank you for wiping out the giant spider, now come and follow me”. Then, they went to the king’s secret base. The secret base has a giant rainbow diamond. Max said, “That diamond can turn into little pieces”. Mrsmsf got an idea that small diamonds can make sad people become happy.

At the end, Elvi and the gang went back to Jakarta and gave small diamonds to the sad people in Jakarta. The sad people then became happy people.
