Today Gadi and Rashad are playing PokemonGame.

Gadi : “I wish I was in the game.”

Rashad : “ I have an idea. If we make a portal, we can go there.”

So, both of them make the portal to the Pokemon Town. They are happy that they succeed to build the portal and then they go inside the game.

But they left a piece (a gear) at Gadi’s house. The gear is like a wheel and is for power up the portal. If Gadi and Rashad didn’t bring the gear it means that they can’t go back to Gadi’s house.
