Users can join these matrimony sites as the registration is absolutely free. Also, you can enjoy most of their benefits without spending much more.

Let's have a look at some of the ways how most leading [Punjabi matrimonial sites](#) continue to help maintain all those Punjabi traditions in the most beneficial ways:

Thaka or Roka

This ritual performs before the wedding where the entire bride family visit the groom house along with fruits, sweets and traditional gifts. In the same manner, groom family visit the bride house to complete the Thaka or Roka ceremony.

Akhand Path

Well, this is one of the main rituals and it is accompanied by a priest as they have to complete holy Guru Granth Sahib within a span of 2 days before the occasion of Punjabi wedding.

Chooda and Mehendi Ceremony

Both these wedding ceremonies are done together. Mehendi is basically done to decorate the hands and legs of the bride before the actual marriage takes place. Now, as far as Chooda ceremony goes, the bride is gifted by her maternal uncle. This is the time when the bride gets specifically gets a set of white and red bangles. As per the tradition, they are to be dipped in milk before kalires are tied on to them.
