

KERALA MATRIMONY

These days almost everything has become a lot easier on Matrimony Kerala Sites as compared to the earlier time when people had to struggle a lot in order to find their most compatible soul mate. You can do it after successfully registering at their Kerala Matrimonial Sites.

Take a look at some of the wonderful customs and rituals in a Kerala wedding:

Nischayam Ceremony

This ceremony is the most important custom in a Kerala matrimony. This is performed by the priest who matches the horoscope of the both bride or groom. After that, the marriage date is fixed.

Pre Nuptial

The turn of this ceremony comes a day before the original date of marriage. It is usually celebrate at the bride's home where she collect blessings from elders and other relatives.

Mehendi Ceremony

After all the ceremonies, mehendi ceremony is performed. Mehendi is applied on the hands and legs of the bride. It is the special ceremony that every woman waits for a long time.

Thank You
