

Today is September 11 = 09/11.

25 years ago, there was a terrorist attack in New York city.

President George W. Bush was the US President at the time.

In his speech, he said :

« Today is a national tragedy. Two planes have crashed into the World Trade Center (= the Twin Towers), in an apparent terrorist attack on our country. »

- It is so quiet. = tellement

-It is so shocking.
