READING TIME !

1 Read the text and highlight the words you understand.

Hello! My name is Andy. I live in Liverpool and I'm in Year 7. Everyday, I have class from 8:45 to noon. Then, I have lunch at the school cafeteria with my friends. After that, I have class again at 1:30. I finish school at 3:30 and I go to the drama club. I love it! ☺
I come back home at 5:00. First, I have a snack and then I do my homework. After that, I often spend time with my family or I watch telly. We usually have dinner at 7:30 and after that I prepare my school bag. Finally, I wash and I brush my teeth. I usually go to bed at 9:00 and I read a little before I sleep.
