

Reading comprehension

Hi! My name is Sarah and I'm fifteen years old. I wake up at half past six and I have breakfast with my younger sister at quarter to seven. I take a shower at 8 o'clock, I get dressed and brush my hair and teeth.

School starts at quarter to eight and ends at four o'clock. I have lunch at school with my friends at one o'clock.

I take the bus home. At home I watch TV. My favourite tv show starts at half past five. After that, I usually do my homework. I have dinner at nine o'clock. Then, I have a shower and go to bed at half past ten.

Answer the questions below. Then, fill in the clocks.

What time does Sarah have lunch? _____

How often does Sarah do her homework? _____

A quelle heure Sarah va-t-elle se coucher ? _____

What does Sarah do at 8 o'clock? _____

Sarah has dinner at nine o'clock true false

Sarah _____ her hair.
