

# Sam the spy

1 Sam the Spy likes to send messages in phonetic code. Can you decode the names of countries from his Phonetic Code Book? Match the words in the box with the words in phonetic code.

Argentina	Australia	Austria	Brazil
England	France	Germany	Greece
Hungary	Italy	Poland	Turkey

- |  |                        |                           |
|--|------------------------|---------------------------|
| 1 /'ɪŋlənd/<br>.....<br><i>England</i> | 5 /'dʒɜ:məni/<br>..... | 9 /'tɜ:kɪ /<br>.....      |
| 2 /'pəʊlənd/<br>.....                  | 6 /frɑ:ns/<br>.....    | 10 /'hʌŋgəri/<br>.....    |
| 3 /'ɔstriə/<br>.....                   | 7 /grɪs/<br>.....      | 11 /ɑ:ʒən'ti:nə/<br>..... |
| 4 /ɔst'reɪiə/<br>.....                 | 8 /'ɪtəli/<br>.....    | 12 /brə'zɪl/<br>.....     |

2 Now read the Phonetic Code sentences about Sam the Spy and finish decoding them into English. (Try saying them aloud!)
