

# First day at school

## Sophia's tips to start school well.

So nice to meet you two ! 😊

You guys are amazing !

Don't panic, our school is great ! 😄

Yes, Slimy and Bully are silly boys but don't be scared ! 🤖

The headmaster is very strict.

Be careful in the corridors : you can't run ! 😡 But don't worry, the playground is great : you can sit on the grass, and you can eat your lunch with your friends. 😊

Now remember, you can't be late !

Your new friend, Sophia 🙋

- Read Sophia's message.
- Highlight the school places.
- Choose two colours for the different school rules and underline them.
- Is Sophia's school cool or not ?
