

Fjallraven Kanken Sling

The Fjallraven Kanken Sling is a compact shoulder bag that is a mini version of the popular Knken backpack. This bag is great for anyone who enjoys the look of the Knken, but doesn't need to carry a heavy backpack. Its adjustable straps allow for easy carrying over your shoulder.

Kanken sling bag

The [Fjallraven Kanken Sling](#) is a small, classic backpack. Its small shoulder straps make it easy to carry on your shoulder while on the go. The Kanken is available in two styles: the classic backpack and the shoulder bag style. It has ample storage space for your daily essentials and comes with a detachable shoulder strap.

The Kanken is made of Vinyon fabric, which is water resistant and pliable. The back panel features a zippered pocket, which is ideal for storing valuables. It also includes a name label inside. It is a great piece of travel gear for anyone on the go!

The Kanken backpack is smaller than the original Kanken sling bag. It has a zippered main compartment and a quick-access pocket on the back. It also has handles at the top. It has a compartment for your

phone and has a place for an address label. It is made from 100% vinylal.

fox backpack

The Fjallraven [rainbow backpack](#) is a fun-sized shoulder bag reminiscent of the classic Kanken backpack. It is made with water-resistant vinylon fabric, and includes a name label and practical storage. The shoulder bag also features a zippered quick-access pocket on the back and adjustable shoulder straps.

The Kanken shoulder bag features a comfortable and pliable strap for ease of use. It is made from a durable G-1000 fabric and features black leather details. The main compartment includes a main compartment and a flat, zip-closed compartment at the rear.

The Fjallraven Kanken Sling is an ideal small shoulder bag for traveling. It provides a secure place to hold keys and other valuables. It is durable and comes in a variety of colors. It is waterproof and dirt-resistant and features a rain flap. It also has a 16-liter capacity, a padded seat, and dual top-snap handles. It also has a removable fleece-lined front pocket for snacks.

small black backpack

Despite being a small backpack, the Fjallraven Kanken Sling shoulder bag still keeps your essentials close by. Its vinylon fabric construction keeps your belongings dry and safe, and its pliant straps are comfortable for carrying. It also has practical storage, including a name label inside, and a zippered quick-access pocket on the back.

These [small backpacks for girls](#) is adjustable and fairly stiff, which helps it maintain its perfectly square shape. It is also reinforced with a firm foam board, which contributes to its overall stability and keeps your shoulders from being fatigued while carrying heavy objects. It measures 7.9 inches high, 5.9 inches wide and 4.3 inches deep.

The Kanken Mini is larger than the Sling, and is designed for individuals who need a small backpack with a lot of storage space. It can hold several pieces of clothing, a thick book, an iPad, and a large wallet. This backpack is ideal for short road trips and for college use.
