

Like the Kanken Sling, the Kanken Mini also has several compartments. A large compartment in the middle holds your laptop, and two slim pockets on either side of the bag hold smaller items. The Kanken Mini also has a zippered pocket on the front. This pocket is not the most spacious, but it is still big enough to hold your iPod case and several credit cards.

vSCO backpack

The Fjallraven Kanken Sling [VSCO backpack](#) is a stylish and functional backpack that comes in a range of colors. It features a padded laptop sleeve and rose gold hardware for an upscale look. Its handmade construction is easy to maintain and comes with a lifetime warranty to ensure quality and durability.

First introduced in 1978, the Kanken backpack has been around for over 30 years. It has been designed to prevent back problems in Swedish schoolchildren. Since then, the design has evolved into various products. The Kanken brand is now a part of the Arctic Fox Initiative.

Designed for young girls, the [Fjallraven Kanken fox backpack](#) is comfortable, water resistant, and has dual top handles. It also has a removable seat pad for added comfort. For outdoor enthusiasts, the Kanken Small backpack for girls is the perfect solution. It has a classic

Scandinavian look with modern comfort, and a circular Fjallraven logo.

With three main compartments and two side pockets, the [Fjallraven Kanken Sling](#) is a versatile shoulder bag that can be used for many functions. It includes a zippered main compartment, a bottom compartment for shoes, and two outer pockets for a wallet. The Kanken autumn leaf can also be used as a beach bag or a sightseeing bag, and the shoulder strap is adjustable.

Fjallraven also makes a range of women's backpacks. The Kanken is an iconic backpack from the brand and comes in seven-liter capacity. The Mini Kanken is a smaller version, and can accommodate a small tablet, cell phone, wallet, and water bottle. It also has a removable seat cushion and has a zippered front pocket. This backpack is made of water-resistant material, which makes it a great choice for younger girls.

rainbow backpack

The Fjallraven Kanken Rainbow Backpack is a versatile pack with a rainbow pattern. It can carry your tablet and other essentials when you're out and about town, or it can even be used for a day hike.

Whether you're hiking through the countryside or tackling a challenging trek, this backpack has plenty of space for your belongings.

The Kanken backpack is made of durable, tear-resistant vinylon F material. Its nylon straps allow you to carry it on your shoulders or in your hands. It is available in a variety of colors, and it comes with a 15" laptop sleeve. It also has two bucket pockets and an exterior zippered pocket.

Fjallraven Kanken hip pack

The Fjallraven Kanken hip pack is a compact day bag that is ideal for carrying all of your essentials.
