

THE TIC-TAC-TOE

Aim of the game :

Per team, line up before your opponents
3 identical colors horizontally, vertically or
diagonally.

Equipment :

- 2 teams
- 6 cups or scarves
in 2 different colors
- a grid of 9 squares drawn on the
ground or 9 hoops
- 4 plots mark the starting area

Instructions :

At the TOP start, the first player of each team
runs towards the grid and places a cup in a case
in the color of his team.

He quickly returns to his camp and the next
person runs to place a cup of the same color.
It is possible to change the place of a cup of its
color.

The game ends when a team succeeds in
aligning its color horizontally, vertically or
diagonally. »

Success criteria :

- Align its color horizontally vertically
or diagonally;
- Achieve it faster than the opposing
team;
- Communicate sufficiently with team
to decide on the best strategy.

Variables :

Vary the movements before arriving
at the tic-tac-toe grid.
