Product Range

Explore Business Printer Categories

POS Central India offers four core printer categories — each engineered for a specific business application. Whether you're printing receipts at a checkout counter or ID cards at a reception desk, we have the right solution.

Receipt Printers

Thermal printers for retail billing, restaurants, and POS counters

Card Printers

ID, membership, and loyalty card printing for organizations

Label Printers

Barcode and shipping label printers for warehouses and logistics

LaserJet Printers

High-volume document printing for offices and enterprises

Receipt Printers

Receipt printers are the backbone of any point-of-sale operation. Using thermal technology, they deliver fast, quiet, and maintenance-free printing — ideal for high-traffic environments.

Ideal for: Retail stores · Restaurants · Supermarkets · Pharmacies · POS counters

 Fast Printing

Up to 300mm/sec for rapid billing

 Low Maintenance

No ink or ribbon required

 High Reliability

Built for continuous daily use

Label Printers

Label printers produce sharp, scannable barcodes and durable labels for inventory, shipping, and product identification. Essential for warehouses, e-commerce, and manufacturing operations.

Ideal for: Warehouses · E-commerce · Logistics · Manufacturing · Retail inventory

Barcode Labels

Crisp, high-resolution barcode output

Shipping & Inventory

Streamline warehouse and logistics workflows

Durable Output

Thermal transfer for long-lasting labels

Categories 03 & 04

Card & LaserJet Printers

Card Printers

Professional-grade printers for employee IDs, visitor badges, membership cards, and loyalty programs. Deliver consistent, high-quality card output for any organization.

LaserJet Printers

High-speed laser printers for office documents, contracts, reports, and business correspondence. Ideal for medium to high-volume printing environments.
