TSC Printer

TSC Auto ID Technology is a globally trusted brand delivering **high-performance thermal printers** designed for demanding business environments. Their printers use advanced direct thermal and thermal transfer technologies to produce crisp, durable labels at high speeds. From compact desktop units to rugged industrial machines, the [TSC printer](#) lineup covers every business printing need — with proven reliability across retail, logistics, and manufacturing sectors in India.

Thermal Transfer

Long-lasting labels resistant to heat, moisture & abrasion

Direct Thermal

Fast, ink-free printing ideal for shipping & receipts

Barcode Ready

Full support for 1D & 2D barcodes, QR codes & more

Why Businesses Prefer TSC Printers

High-Speed Output

Print speeds up to 14 ips ensure labels keep pace with your operations — no bottlenecks.

Cost-Efficient

Low cost-per-label, minimal maintenance, and competitive TSC printer prices maximize ROI.

Built to Last

Rugged metal frames and industrial-grade components deliver years of reliable performance.

Versatile Connectivity

USB, Ethernet, Bluetooth, and Wi-Fi options fit seamlessly into any IT infrastructure.

Best TSC Printers in India for 2026

Six standout models covering every business printing requirement

TSC TL240

Compact desktop thermal transfer printer

TSC TE244

Best for retail & small business labeling

TSC TTP-244

Budget-friendly barcode printing solution

TSC ML241P

Industrial-grade performance & durability

TSC MB241T

High-speed label printing for warehouses

TSC MH241T

Advanced industrial barcode printing

TSC TL240

A sleek, compact [TSC TL240](#) printer designed for businesses that need reliable, space-saving label printing without sacrificing quality.

Best for: Retail shelving, product labeling, small ecommerce operations

203 dpi Print Resolution

Crisp barcodes, text & graphics

Up to 6 ips Print Speed

Efficient output for daily runs

USB + Ethernet

Plug-and-play setup

TSC TE244

The [TSC TE244](#) is purpose-built for retail stores and small businesses seeking an affordable, dependable TSC thermal printer with premium features.

- **203 dpi** resolution for sharp barcode & price tag printing
- **4 ips** print speed — ideal for moderate-volume daily use
- Supports multiple label sizes and media types
- USB connectivity with optional upgrades
- Compact, lightweight design for counter or shelf placement

TSC TTP-244 – Affordable Barcode Printing

The [TSC TTP-244](#) remains one of India's most popular barcode label printers for its unbeatable combination of affordability and performance. A go-to for startups, SMEs, and growing ecommerce sellers.

- Direct thermal & thermal transfer printing modes
- 203 dpi resolution, supports 1D/2D barcodes
- Durable metal casing for long-term use

📌 Use Cases

Shipping labels, inventory tags, product barcodes, courier labels

💡 Key Advantage

Best-in-class TSC printer price for entry-level buyers with real business needs

TSC ML241P, MB241T & MH241T – Industrial Power

Heavy-duty TSC printers built for warehouses, logistics hubs & manufacturing floors

[TSC ML241P](#)

Industrial Performance. Metal construction, 203 dpi, speeds up to 8 ips. Handles heavy media rolls for continuous, high-volume label runs. Ideal for manufacturing and distribution centers.

[TSC MB241T](#)

High-Speed Warehouse Printing. Bluetooth-enabled, up to 14 ips, supports large media rolls. Designed for fast-paced warehouse environments needing rapid, reliable label output.

[TSC MH241T](#)

Advanced Industrial Grade. Top-tier TSC thermal printer with reinforced build, high-duty cycle, full connectivity suite (USB, LAN, Wi-Fi, BT). Best for demanding industrial barcode applications.

TSC Printer

Buy the Right TSC Printer — & Buy with Confidence

How to Choose

- **Print Volume:** Low-mid → Desktop (TL240, TE244, TTP-244) | High → Industrial (ML241P, MB241T, MH241T)
- **Connectivity Needs:** Basic USB for small setups; Wi-Fi + BT for modern warehouses
- **Budget:** Match TSC printer price tier to your use case — don't overspend on features you won't use

Why Buy from POS Central

- Authorized TSC printer dealer with genuine products
- Competitive pricing & regular deals on TSC printers for sale
- Pan-India shipping & after-sales support
- Expert guidance to match the right model to your business
