# 1 one

Trace the number 1, then write your own.

How many rabbits do you see in the picture?  
Color a square on the graph for each rabbit.

# 2 Two

Trace the number 2, then write your own.

How many piglets do you see in the picture?  
Color a square on the graph for each piglet.

# Three

Trace the number 3, then write your own.

How many sheep do you see in the picture?  
Color a square on the graph for each sheep.

# Four

Trace the number 4, then write your own.

How many ducks do you see in the picture?  
Color a square on the graph for each duck.

# Five

Trace the number 5, then write your own.

How many mice do you see in the picture?  
Color a square on the graph for each mouse.

# Six

Trace the number 6, then write your own.

How many sharks do you see?  
Color a square on the graph for each shark.

7

# Seven

Trace the number 7, then write your own.

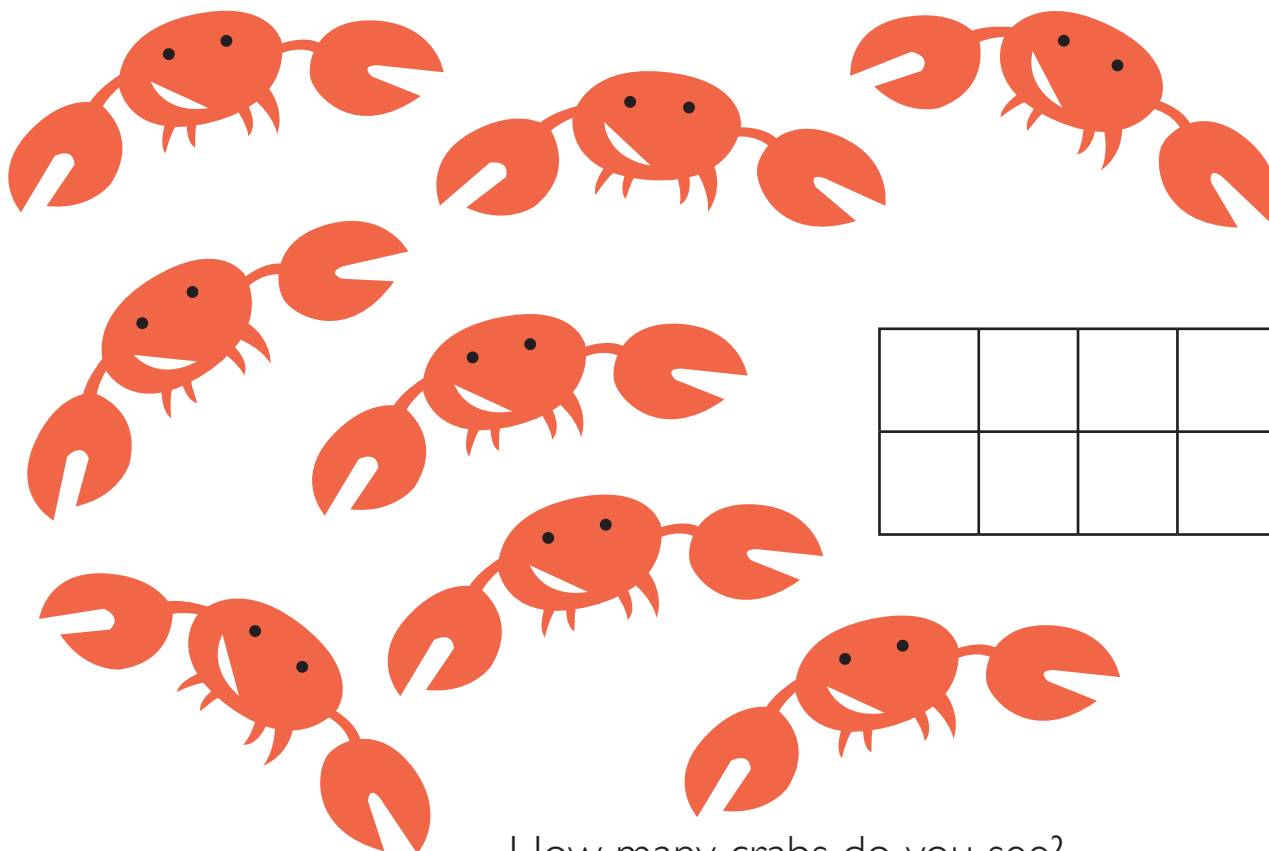

How many turtles do you see?  
Color a square on the graph for each turtle.

# Eight

Trace the number 8, then write your own.

How many crabs do you see?  
Color a square on the graph for each crab.

9

# Nine

Trace the number 9, then write your own.

How many fish do you see?  
Color a square on the graph for each fish.

# Ten

Trace the number 10, then write your own.

How many seashells do you see?  
Color a square on the graph for each seashell.

# Write Up Numbers

Write the number (digit) that matches each word on the left.

Seven

---

Six

Four

---

One

---

Now write a number (digit) that matches the pictures.

# connect the dots

## the dots

Flowers need food and water to grow. Can you connect the dots to find what the flowers need a lot of? Color it brightly when you find it.

# Connect the Dots

Start with the number 1 dot. Connect all the dots in numerical order to discover a picture that starts with the letter V.

# Number Match Up

Draw a line to match each number with the correct group of items.

4

7

3

6

2

Now write the numbers that match the words below.

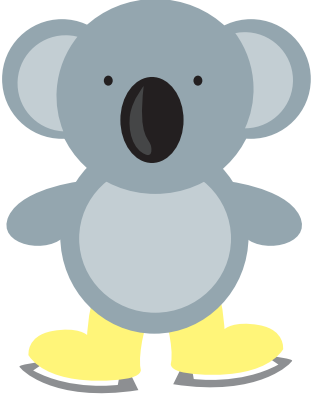

One

Five

Nine

# NUMBER MAZE 7

Can you help this ice skating koala reach the ice rink? Draw a path from the koala to the ice rink by counting from 1 to 20 and tracing the numbers.

		1	2	8	9
		7	3	4	5
3	5	11	10	9	6
14	13	12	6	8	7
15	6	19	20		
16	17	18	2		

1= blue 2= brown 3=yellow 4=red 5=white 6=black 7=pink

# TRACE, CUT AND ARRANGE NUMBERS

# TRACE, CUT AND ARRANGE NUMBERS

Trace these numbers.

Next cut out these coaches with the help of a parent. Then paste them behind the train in the correct order and color the picture.

# TRACE, CUT AND ARRANGE NUMBERS

# TRACE, CUT AND ARRANGE NUMBERS

Trace these numbers.

Next cut out these circles with the help of a parent. Then paste them on the flower in the correct order and color the picture.

Great job!
