

PLANTER BENCH

✓ Outdoor access to your deck or patio can be both comfortable and useful. A planter bench combination works like a charm in our outdoor areas. And the building is made, long-lasting piece of outdoor furniture, please contact Southern Pine for the planter bench.

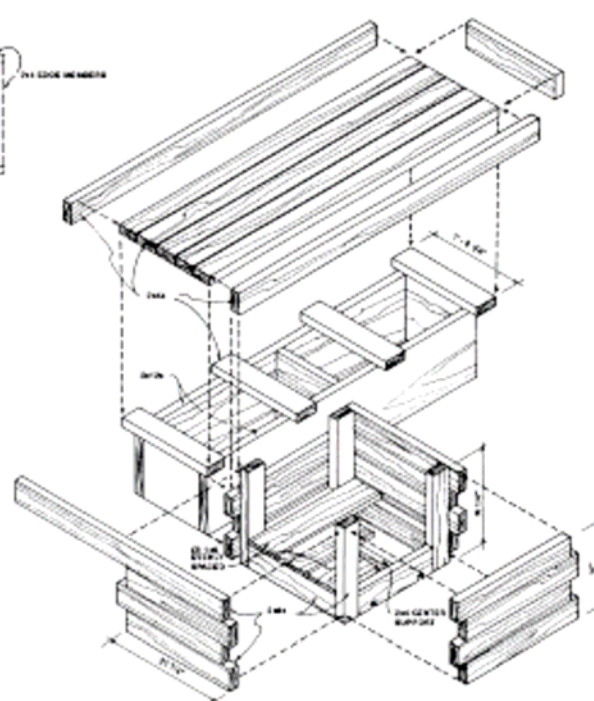

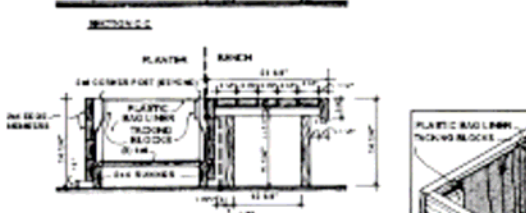

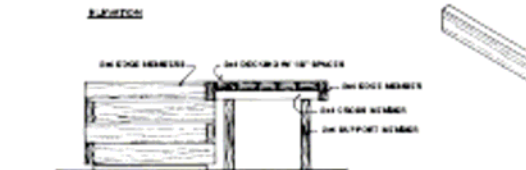

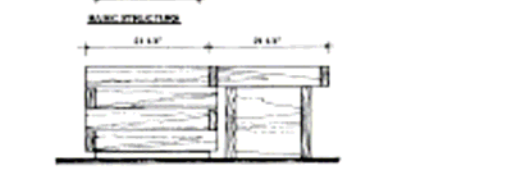

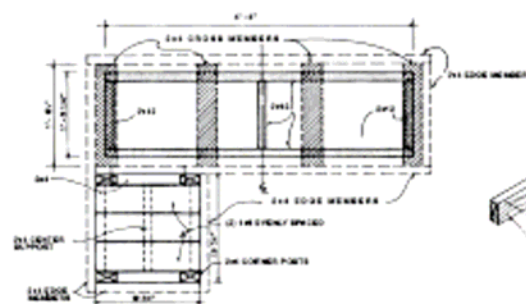

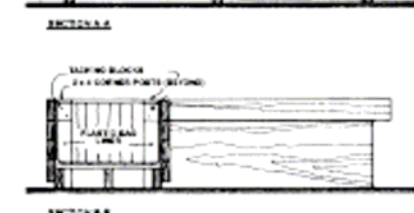

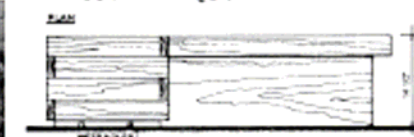

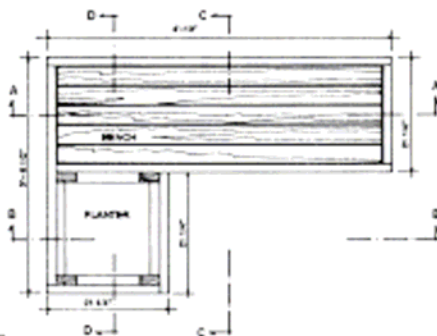

The planter bench will guide you through the construction process, step by step. When your project is complete, add the planter box to the plan and measure, then a tree and enjoy the view.

MATERIALS LIST
To build the planter bench, you will need the following quantities of CCA, pressure-treated Southern Pine lumber:

QUANTITY (SEE NOTES)	SIZE	LENGTH	COMMENTS (SEE NOTES, SEE LIST)
1	2x12	12'	40
1	2x6	12'	40
1	2x6	12'	40
1	2x6	12'	40
1	2x6	12'	40
1	2x6	12'	40

OTHER MATERIALS NEEDED

- 1/2" x 1/2" x 1/2" plywood or particle board for the planter box
- 1/2" x 1/2" x 1/2" plywood or particle board for the planter box
- 1/2" x 1/2" x 1/2" plywood or particle board for the planter box
- 1/2" x 1/2" x 1/2" plywood or particle board for the planter box

ALSO SEE

1. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
2. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
3. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
4. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
5. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
6. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
7. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.

ALSO SEE

1. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
2. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
3. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
4. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
5. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
6. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.
7. Using 1/2" x 1/2" x 1/2" plywood or particle board for the planter box.

These drawings are intended to provide a general idea of the construction of the planter bench. They are not intended to be a substitute for the actual construction drawings. The actual construction drawings are available for purchase from Southern Pine.
