

Dried Flower Holder

Knock together this dried flower holder, use standard size $\frac{3}{4}$ " thick cedar fence boards and decorate it with a length of sisal twine.

Parts

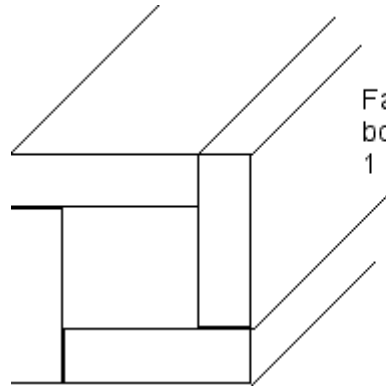

4 ea. - $2\frac{1}{2}$ " x 12"

$3\frac{3}{4}$ " x $3\frac{3}{4}$ "

Cut two 12" lengths from the cedar fence board, rip them in half, then rip them to $2\frac{1}{2}$ " wide, cut the base to size from the remainder of the board, sand the ends and sides and surfaces of all pieces.

Assembly

Fasten the four narrow cedar boards together with glue and 1 1/2" (4d) nails

Fasten base to column with glue and 1 1/2" (4d) nails

Finish with danish oil and wrap twine around column.
