P-3

Head

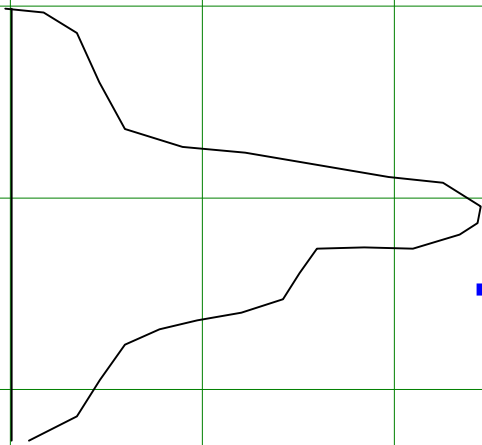

A diagram of a shell's internal structure, possibly a mollusk, showing a complex network of green lines representing internal features. Several purple diamonds are placed at specific points along these lines. The diagram is set against a light green grid background. Two horizontal dashed lines are present, one above and one below the main text area.

Sides of Shell

P-4

A diagram of a tail structure, showing a black line that starts vertically and then curves to the right, forming a tail-like shape. The diagram is set against a light green grid background.
