

Pattern sheet - Designer dog kennel

Your best friend deserves the best, so if it's time to do something about his or her accommodation, spoil them with a kennel that's comfy and good to look at.

Two DIY projects

Give your canine friend new, stylish accommodation with a **designer dog kennel**. And get the kids involved in a useful project building a rad **skateboard ramp** that will keep them and their mates occupied for hours

**Better
Homes
and Gardens**
