Y, Yak
Z, Zebra, Zebrafish

Certificate of Completion

My ABC Nature Hunt

Your child will learn all about nature nearby with this fun activity! Venture outside to collect items, take photos, and draw for each letter of the alphabet, and add them to each page using tape or glue. If you have trouble finding objects for some letters, take a hike, go to the zoo, or visit a plant nursery or park.

Some letters are tricky – for example, it might be hard to find an animal that starts with "X" in the neighborhood. Instead, let's look out for things that make the "X" shape.

ANT

ACORN

BUMBLEBEE

B

BUTTERFLY

C

CAT

CACTUS

DAMSELFLY

DEER

EARTHWORM

EGG

FROG

FERN

GRASSHOPPER

GOLDFISH
