

Professional Fees of Interior Designers in Pune

Fees Structure of an Interior Design Firm/Qualified Interior Designer in Pune is not standardized or neither it is been controlled by Government. It depends upon Each Organization Policy/Firms/Individual. It depends upon the Quality of the Design, reputation of the Designer, Dedication of the Designer towards the Project & Quality of Service etc.

So to compare an Interior Design Firm/ Interior Designer only on the Fees Amount will not be a Correct Decision .Comparison should also be made with Quality of Design, dedicated creative work along with Fees.
