

## Video: I've experienced bullying

### 1. Preparation

Match the vocabulary with the correct definition and write a–h next to the numbers 1–8.

- |         |                                  |    |  |
|---------|----------------------------------|----|--|
| 1 ..... | to surround yourself with people | a. | to frighten, hurt or threaten a smaller or weaker person |
| 2 ..... | to bully someone                 | b. | disgusting   |
| 3 ..... | to hang out                      | c. | unhappy because you are alone                            |
| 4 ..... | a joke                           | d. | unimportant  |
| 5 ..... | negative energy                  | e. | to choose to have particular people near you             |
| 6 ..... | horrible                         | f. | a funny story or trick that is said to make people laugh |
| 7 ..... | lonely                           | g. | bad or harmful energy                                    |
| 8 ..... | insignificant                    | h. | to spend time together                                   |

### 2. Why were you bullied?

- "Because I looked \_\_\_\_\_."
- "I couldn't \_\_\_\_\_ as fast as the other kids."

### 3. What happened to you?

- "I was \_\_\_\_\_ and \_\_\_\_\_ names."
- "A girl in my class \_\_\_\_\_ all my \_\_\_\_\_ against me."

### 4. How did bullying make you

Take notes:

---

---

### 5. What should the bullied students do?

Take notes:

---

---

---

### Grammar time!

Donner du conseil:

- should + BV

You should surround yourself with good friends.

- you'd better (you had better) + BV

You'd better talk to your parents.

- to advise someone to + BV

I advise you to get support.
