

A woman of nature

A woman of nature

Work Tools

I used a sheet of A3 paper, pencils, hot glue, cotton, roses, fir branches, coffee beans.

Workflow

The first work - I drew a sketch of a woman, after heating hot glue I glued cotton, it was like a woman's hair, coffee beans as earrings, I glued roses on the cotton to make it more beautiful, I made a T-shirt from fir branches, I drew ivy around it as a background.
