

The Wooden Rudolph

Materials:

- parts of a tree trunk
 - branches
 - gouache
 - brush
 - hot glue
 - paper strips
 - thick thread
- 

Workflow:

Draw eyes on the split wood with a brush and gouache. Colour a roll of a tree branch red. Cut many thin strips of paper (for the deer's hair and ears) and tie them together with thick thread. Glue the nose on with hot glue. Then glue the twigs - the antlers. Glue the tied paper strips to the horns.
