Text in English (free translation)

**Who wants to spend a good holiday  
Goes to the Kashubian forests  
There, Kashubian, good people  
They will help him in every need.**

**Kashubian lakes, Kashubian forest  
Kashubia, Kashubia is calling us!  
Kashubian lakes, Kashubian forest  
Kashubia, Kashubia is calling us!**

**The one who doesn't know where he is going  
Let this one run to Gdynia  
And on Square he stamps his foot  
Everyone will give him a way**

**Kashubian lakes, Kashubian forest  
Kashubia, Kashubia is calling us!  
Kashubian lakes, Kashubian forest  
Kashubia, Kashubia is calling us!**
