

Leaves Memory

GAME

Summary:

The game is designed to learn shapes of leaves and their names.

Resources:

Our memory, kind of good snacks, cards (made by us) and a bunch of friends :)

Preparation:

All you need to do is cut out our cards and flip them so they are facing down. Then mix them and start to play. You can use the solution in the first game to consult the pairs.

Activity:

The rules are simple:

1. Get at least 2 people (4 is the maximum).
2. Prepare the game as is told above.
3. Take turns uncovering 2 cards in each round, if you find a matching pair of cards then you take a pair for you.
4. If you have the most correctly matched pairs, you win!
