

Tell me a fact about the apple tree

The game requires dice, 2-4 players and a good mood.

The game can be played by 2-4 players. The first person rolls the dice and uses the number rolled to see which season it belongs to. Then, if it is spring, they have to tell a fact about an apple tree that is related to spring. For example: the apple tree blossoms in spring. Then the next player rolls the dice and again looks to see what number is rolled for which season. If nothing is said the player is out of the game. If the dice roll a 5 or 6, then there is no need to say anything, you are free to go. The last one left in the game wins
