

DREAM TREE 2023

SUMMARY

IN THE COMMON ROOM, CHILDREN FROM CLASSES 2 AND 3 OF SP CREATED A TREE OF DREAMS AND WISHES FOR 2023. STUDENTS INDIVIDUALLY MADE COMMITMENTS, RESOLUTIONS AND WISHES FOR THE NEW YEAR. THEY WROTE THEM DOWN ON SMALL PIECES OF PAPER AND ROLLED THEM UP AND PLACED THEM IN SMALL GLASS BOTTLES. THEN THEY HUNG THEM ON THE PREVIOUSLY PREPARED "TREE OF WISHES". AT THE END OF THE SCHOOL YEAR - IN JUNE – WE WILL CHECK WHETHER THE RESOLUTIONS AND WISHES HAVE BEEN FULFILLED.

RESOURCES.

TO CREATE THE "WISHING TREES" WE USED: 3 PLASTIC TWIGS, STRING, RIBBONS, ROUND GLASS BOTTLES, SMALL PIECES OF PAPER, NATURAL MOSS, HOT GLUE, 3 GOLDEN PLASTIC ANGELS.

WORKFLOW

THE TREE OF WISHES WAS CREATED ON A CORK BOARD IN THE COMMON ROOM FROM THREE TWIGS CONNECTED AT THE BOTTOM WITH A STRING. CHILDREN PLACED CARDS WITH NEW YEAR'S WISHES/DREAMS IN SMALL, ROUND GLASS BOTTLES. THE BOTTLES WERE HUNG ON THE BRANCHES OF A TREE ON SHORT RIBBONS. WE FINISHED THE WORK WITH A PRINTED INSCRIPTION AND REAL GREEN MOSS - GLUED WITH HOT GLUE.
