# THE TREE OF KNOWLEDGE OF GOOD AND Evil

\* It was a tree that grew in Eden. Adam and Eve could not eat the fruit from it, but tempted by the egg - unfortunately they succumbed - and ate it. God gave people the first opportunity to choose between good and evil.

\* God placed the tree of the knowledge of good and evil among the other trees in the Garden of Eden. Eve disobeyed, plucked the fruit and ate it - she was deceived by Satan, who came to her in the form of a fetus.

\* The tree of knowledge of good and evil, the fruit of which is deadly to man. It symbolizes the law that God made in this world and which the first people broke. Approaching the tree, picking the fruit ends for us with expulsion from paradise and moving away from life.
