

doc 5 :

It's a collection of testimonies about Belfast murals.

They give different arguments in favour or against the removal of murals.

	Removal Cons (we must keep the murals)	Removal Pros (we must remove them)
A unbiased	Some issues are still prevalent in our society	It's ancient history
B unbiased	They educate people about the past	They transfer trauma to new generations
C biased	<ul style="list-style-type: none">-Part of our heritage- important to understand history- removing them would be like bulldozing Auschwitz- they reflect things that are going on in our community	
D unbiased	<ul style="list-style-type: none">- history is painted on the wall (conflicts between Republicans and Loyalists)	
E biased		<ul style="list-style-type: none">- they have a huge impact on children- children are easily influenced- murals pollute their minds- we mustn't shape monsters
