Job Title:

Cost Estimator

Location: Lagos, Nigeria

Job Overview:

The successful candidate will be responsible for preparing accurate and competitive cost estimates for engineering, procurement, construction, pipeline, and facilities projects. This role plays a key part in developing winning bids by reviewing tender requirements, preparing cost breakdowns, obtaining vendor quotations, and ensuring timely submission of compliant bids that enhance the company's competitiveness.

Qualifications:

- Bachelor's Degree in Engineering or Quantity Surveying.
- Minimum of 5 years' experience in cost estimation, project engineering, or construction within the oil & gas industry.
- Experience with pipeline, facilities, EPC, or construction projects.
- Experience preparing tender estimates and bid submissions.
- Familiarity with NIPEX, e-Tender, and other electronic procurement platforms is an advantage
- Ability to read and interpret engineering drawings.
- Excellent cost estimating and project evaluation skills
- Proficiency in Microsoft Excel, Word, PowerPoint, and Outlook.

CVs can be sent to careers@montego.com using the Job role of interest as the email subject.
