

Back to basics

1. Types of houses

Read the definitions below and put the right number in the boxes

Detached: A standalone home sharing no walls.

Bungalow: A single-story house with no stairs.

Terraced: A house in a long connected row.

Cottage: A small, old-style countryside home.

Palace: A grand official home for royalty.

Caravan: A mobile home on wheels for traveling.

Mansion: A massive, highly luxurious private house.

Block of flats: A building containing many separate apartments.

Semi-detached: Two homes sharing one middle wall.

Vocabulary Worksheet: Types of Houses

Match the houses with their names:

detached		1		2		3	
bungalow							
terraced							
cottage		4		5		6	
palace							
caravan							
mansion		7		8		9	
block of flats							
Semi detached							

2. Now, label the following houses : what type are they ?
