

Parent Survey

Welcome

We want to hear from parents, guardians, and family members of our students. Your feedback is important to us! We will use your feedback to inform our school improvement plan.

Your answers are CONFIDENTIAL. They will only be presented together with other responses.

All questions are optional.

Please answer the following questions thinking about your experience with our school over the past year.

If you have more than one child enrolled in this school, please think about your experience with your oldest child as you answer the questions. Although it is not required, if you prefer, you may complete multiple surveys, one for each child enrolled in our school.
