

Seven Nation Army

The White Stripes

Couplet 1

(Voix 1)

I'm gonna fight 'em off.
A seven nation army couldn't hold me back.
They're gonna rip it off.
Takin' their time right behind my back.
And I'm talking to myself at night because I can't forget.
Back and forth through my mind behind a cigarette.
And the message comin' from my eyes says, leave it alone.

(Voix 1)

Don't wanna hear about it.
Every single one's got a story to tell.
Everyone knows about it.
From the queen of England to the hounds of hell.
And I catch if comin' back my way I'm gonna serve it to you.
And that ain't what you want to hear but that's what I'll do.
And the feelin' comin' from my bones says find a home.

Couplet 3

(Voix 1)

I'm going to Wichita.
Far from this opera forever more.
I'm gonna work the straw.
Make the sweat drip out of every pore.
And I'm bleedin' and I'm bleedin' and I'm bleedin' right before the lord.
All the words are gonna bleed from me and I will think no more
And the stains comin' from my blood tell me go back home.
