

**It was October 13th's night, Kathy was coming home from work. Near the house, Kathy heard some noises, she stopped and looked around confused.**

**Meanwhile, someone grabbed her by her arm and dropped her, she stood and saw noone; she started to run scared.**

**Whoever was chasing her was faster than her because he reached her.**

**Suddenly, Kathy woke up on the floor of her room, for a moment she thought it was just a bad dream, but someone knocked on her door and opening it, she saw that there was noone.**

**She didn't realize that there was someone behind her, a little girl with no eyes and a knife in her hands...**

**Nobody saw Kathy anymore.**
