How to play?

Topic : weather

Skill: speaking

Time: 15 minutes

Level: Beginner

Structure: What's the weather like (today)? - It's...

Vocabulary: Sunny, Windy, cloudy, partly cloudy, rainy, snowy, stormy

Procedure:

1. hand out a "mission card" to each pupil.
2. the pupils walk around the classroom and when they meet another pupil they play "rock-paper-scissors".
3. the loser asks the question: "what's the weather like (today)?"
4. and the winner answers the question by saying which card he needs: "it's ... (today)".
For example: if the mission is to collect 2 sunny cards, the pupil will say "it's sunny" in order to collect a sunny card.
5. if the pupil (who lost) has a sunny card, he gives it to the winner by saying: "yes, you're right".
6. but if he doesn't have one, he says: "no, you're wrong".
7. Once they've done that, they start moving around the classroom again, looking for another pupil to play with.
