

Spring is Here!

Spring is a happy time! The weather gets warmer, and the sun shines. After winter, everything starts to grow again.

The flowers are very colorful. Red, yellow, blue – all the colors! Bees and butterflies like the flowers. They fly around and drink the sweet juice. The bees make honey.

Little insects come out in the spring. Ants walk on the ground. Ladybugs fly in the air. Everything is busy and alive! Spring is a wonderful time of year.
