

PGCert ENHANCED PRACTICE IN HEALTH & CARE

Take the
NEXT STEP
IN YOUR PROFESSIONAL DEVELOPMENT
BY ENHANCING YOUR PRACTICE

**Enhance your practice.
Strengthen your leadership.
Deliver better outcomes.**

Enhanced Practice is a recognised level of practice. It involves developing specialty/profession specific clinical reasoning, driving change, supporting complex decision making and risk assessment.

Why Enhanced Practice?

- Cultivate confidence in complex decision making
- Boost your leadership skills while remaining engaged in practice
- Connect theory and evidence to the complexities of real-world situations
- Enjoy flexible, supported learning that aligns with workforce priorities in health and care

Ready to elevate your impact and expertise? Take the next step in your professional development, email us or scan the QR code below.
