TRAVEL EXPERIENCES

You tell the student how many countries you have been to.

The students asks questions to find them.

2 truths 1 lie

=> the students close their notebook

=> you tell them 3 countries you travelled to: 2 truths, 1 lie.

GROUP CHALLENGE

In groups, the students have to write 5 other questions.

In turn, each group asks a question which has not been asked before.

All the students take notes.

When there are no more questions, each group challenges 2 others groups with a truth or a lie based on the information they collected from you. One member of each group has to swat the right answer (true or false). You validate their answers.
