The image features a stylized, hand-drawn version of the Union Jack flag. The background is a solid red color. Overlaid on this are four quadrants, each containing a white cross that divides the space into four triangles. The top-left and bottom-right triangles are filled with a textured blue color, while the top-right and bottom-left triangles are filled with a textured red color. The lines of the flag are thick and black, giving it a graphic, poster-like appearance.
