

BEACH

A vibrant tropical beach scene. In the foreground, a large, conical thatched umbrella made of dried palm fronds stands on a sandy beach. To its left, a palm tree's fronds are visible. In the middle ground, two people are relaxing on wooden lounge chairs with blue cushions. The ocean is a clear, bright turquoise color. In the distance, a white motorboat with a canopy is on the water. The sky is a clear, pale blue.

What's in your
beach bag?

Is there ...?
Yes, there is.
No, there isn't.

Are there any...?
Yes, there are.
No, there aren't.

The student and the teacher draw 3 things in their beach bag (on a piece of paper).
Then they try to guess what's there in each other's bags by asking the questions above.
