

Grandpa is my hero.  
He looks after me.  
He waits for me at school  
And makes me toast and tea.

Grandpa is my hero.  
He always plays with me.  
He talks about the colours  
Of the sky and of the sea.

Grandpa is my hero.  
One day we climbed up high.  
We listened to the wind  
And to the birds fly by.

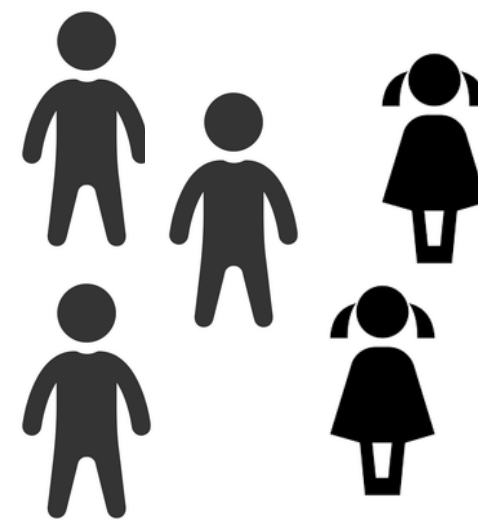

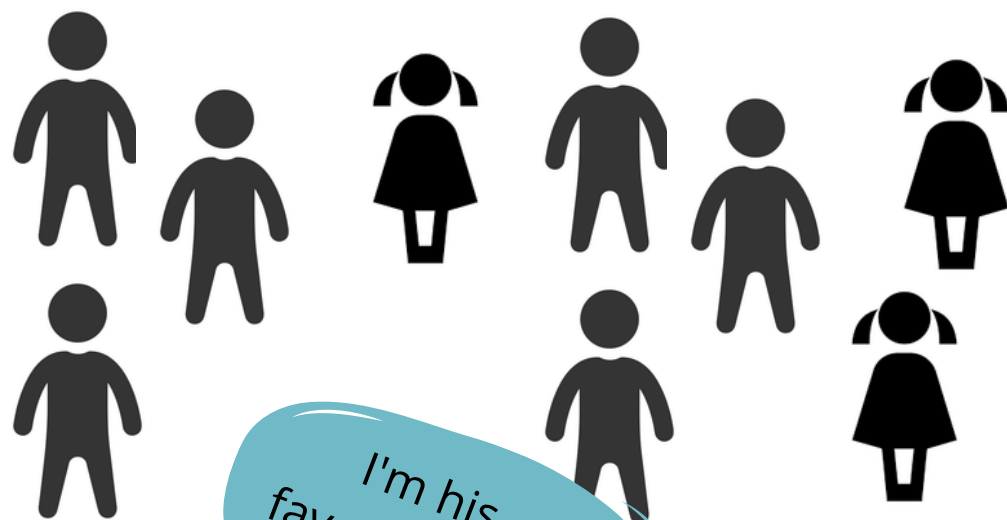

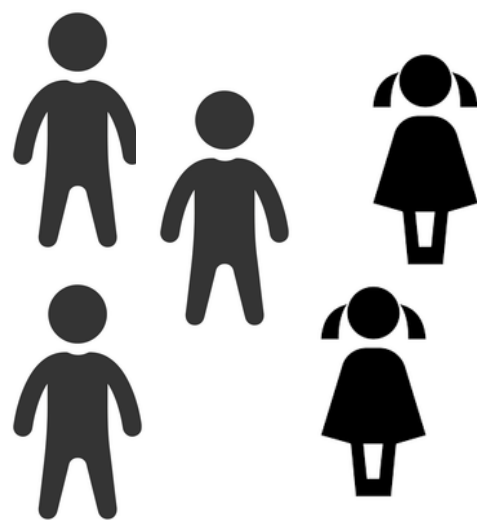

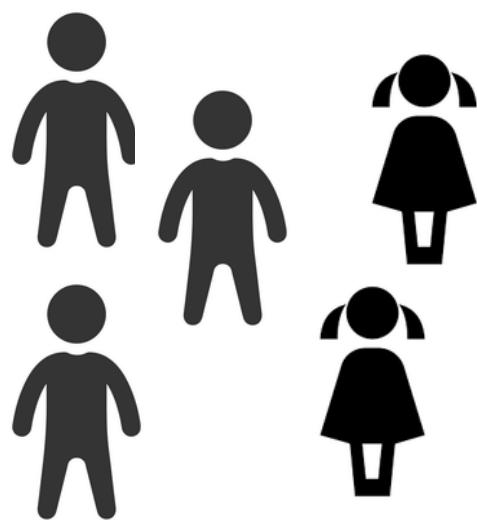

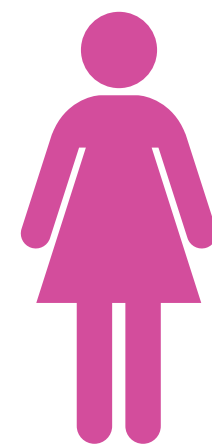

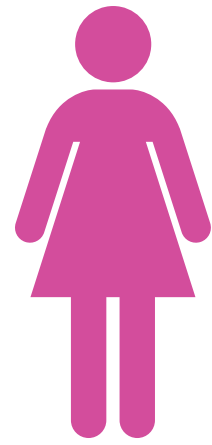

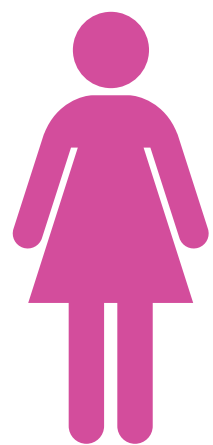

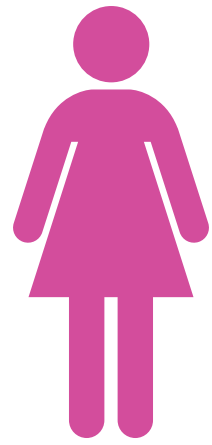

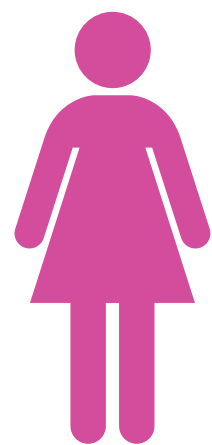

Grandpa is my hero.  
Together we carry my books.  
Hand in hand we cross the road,  
But only Grandpa looks.

Grandpa is my hero  
Because he's teaching me  
What's important is my heart  
And not that I can't see.

My grandpa's got  
five daughters,  
But he hasn't got  
a son.

He's got twenty  
grandchildren,  
And I'm the  
favourite one!

My grandpa  
Travelled the world,  
By boat,  
By bus,  
By train  
And by plane.  
He danced in France.  
He studied in Spain.  
He worked in Japan.  
He was an international man.
