Hello! I'm Tom's cat.

That's Tom sleeping in his bed
up there.

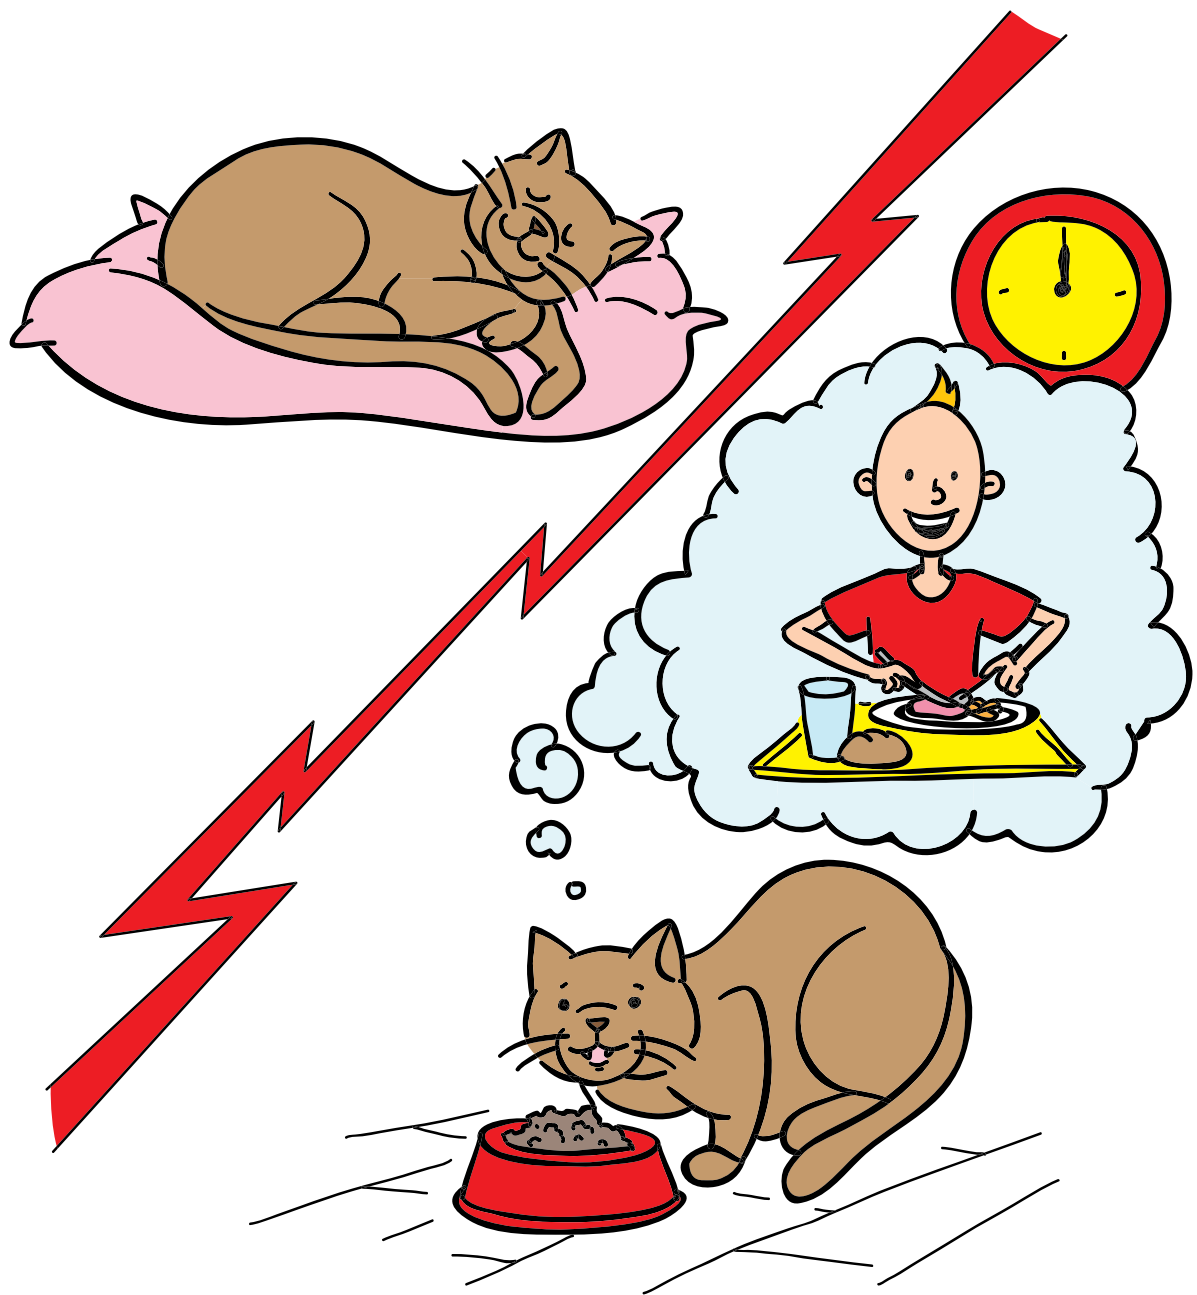

I stay out all night and arrive home at 5 o'clock in the morning. Then I go to bed.

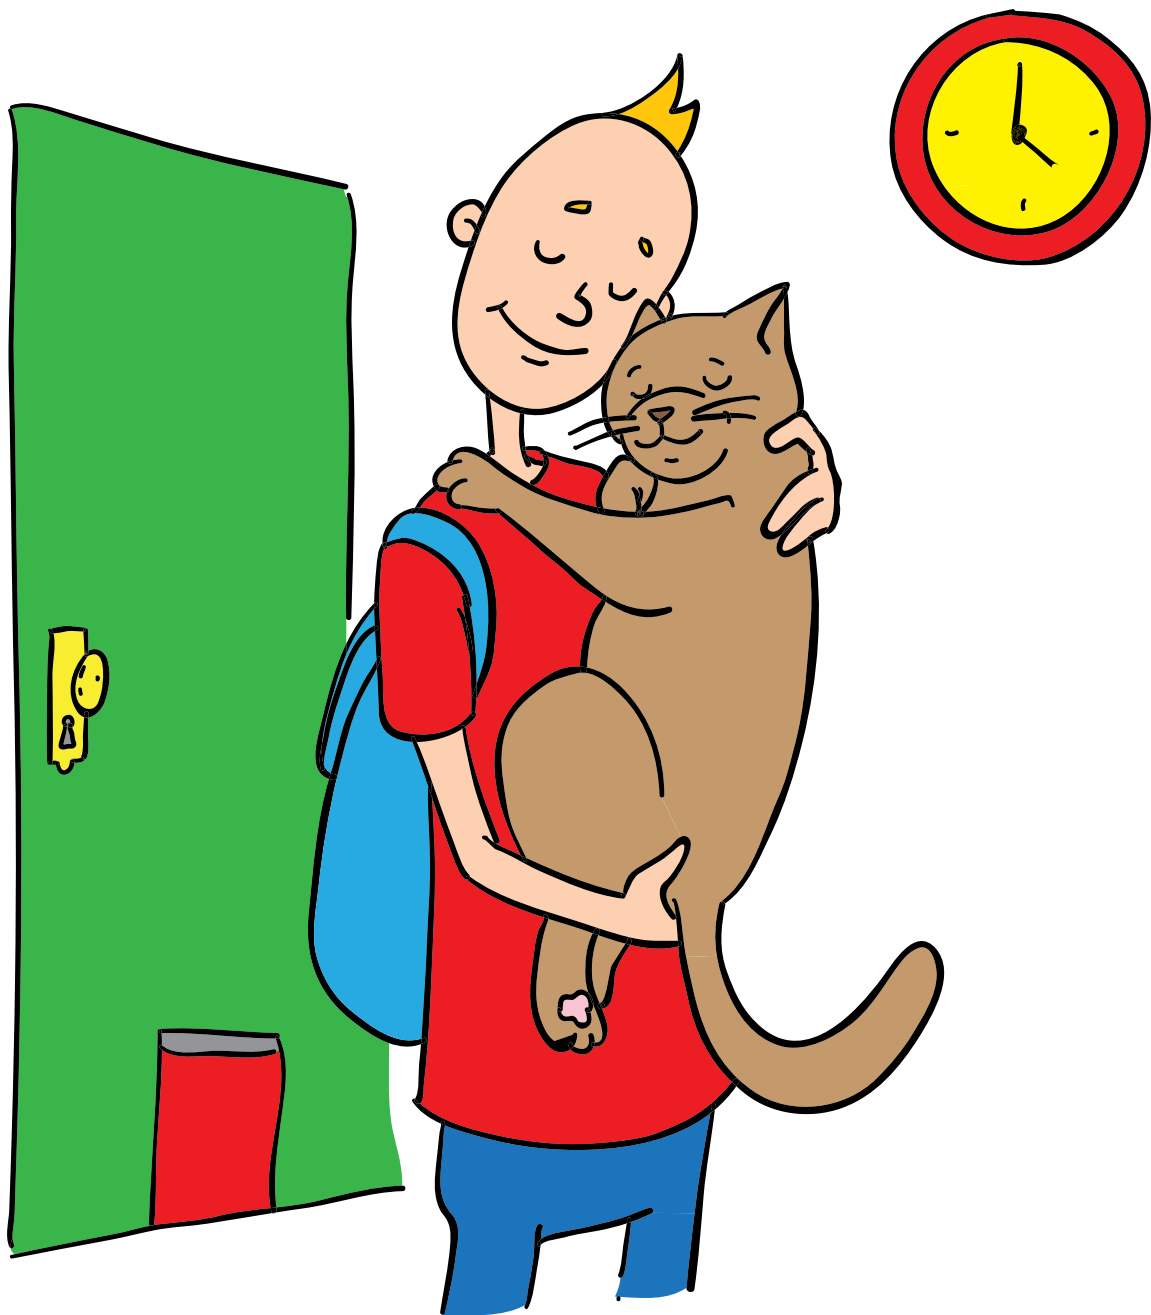

Then I sleep all morning
while Tom gets ready for
school.

At 11 o'clock I wake up and eat my breakfast.

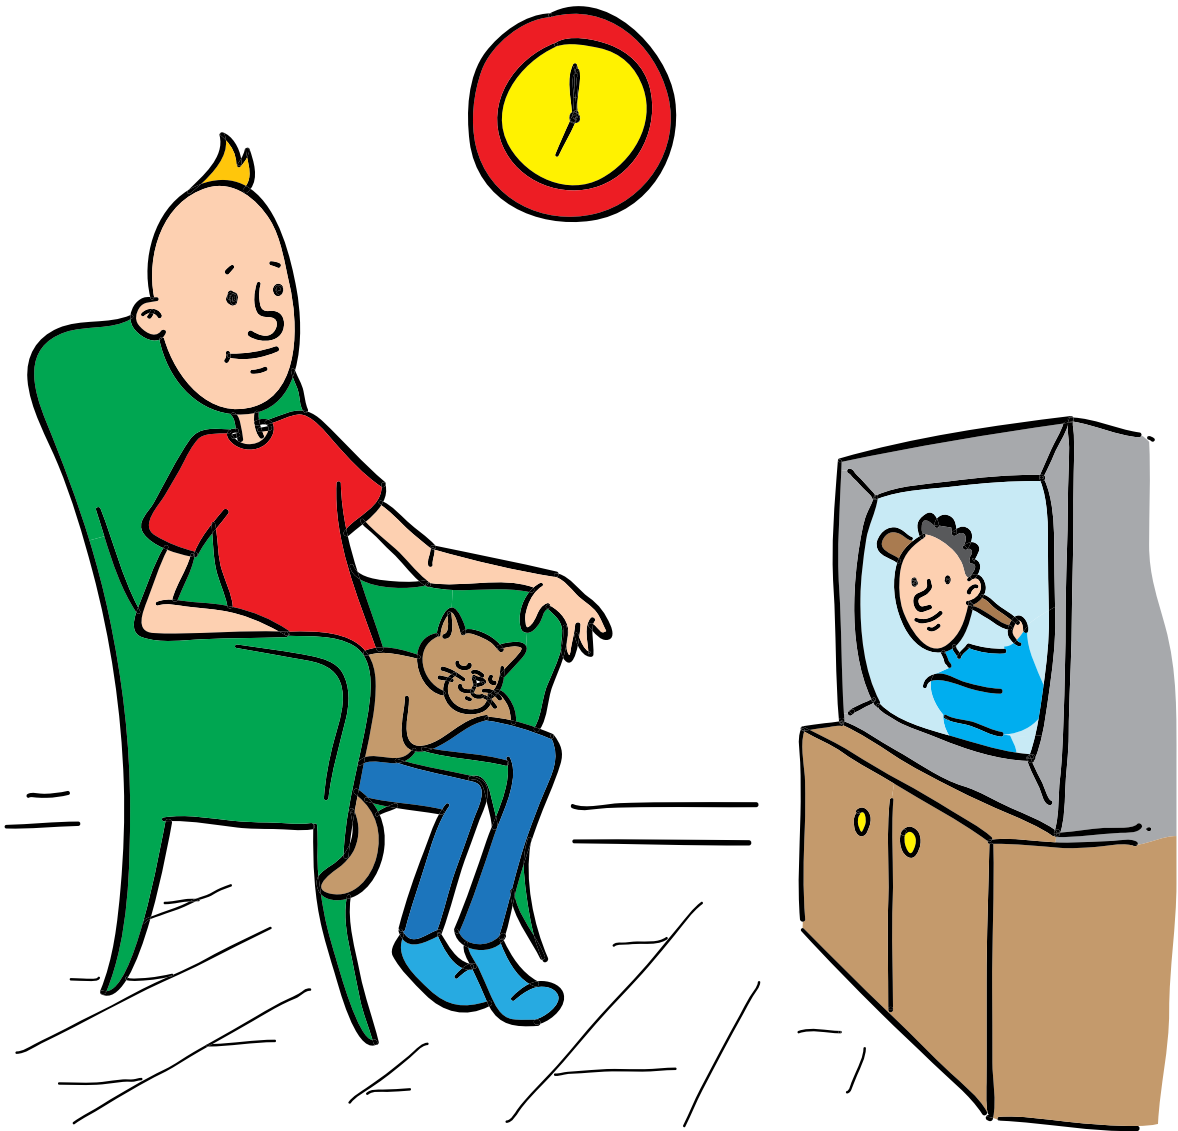

After breakfast, I sleep again
and wake up for lunch at
12 o'clock.

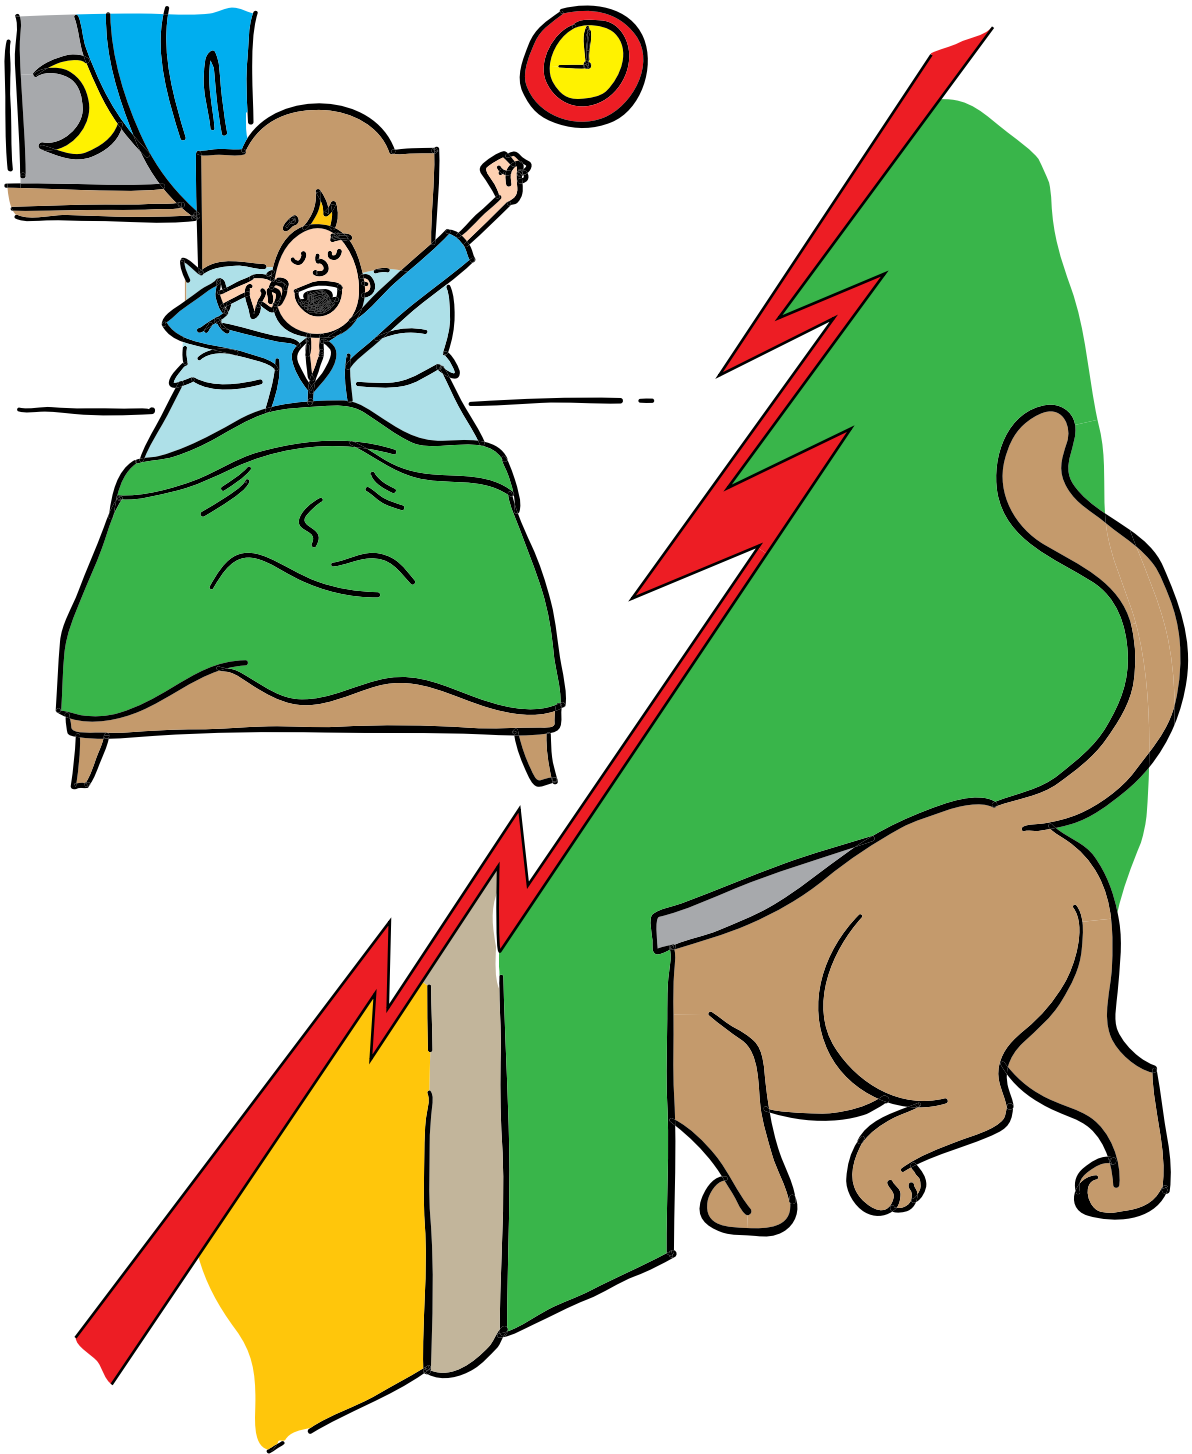

Every day, Tom arrives home at 4 o'clock and wakes me up.

At 6 o'clock we all eat dinner.

Then I sleep on Tom's lap
while he watches T.V.

When Tom goes to bed,
I wake up and go outside.

I stay out all night and play
with my friends!
