We are the ghosts of the
haunted hotel!

We love scaring people!

I like to stomp loudly on the floor to scare people under me!

I like to pat people softly on their heads and shoulders to scare them!

I like to walk around slowly
making scary noises!

I like to crouch down under
beds and surprise people!

I like to fly around quickly
and knock things over!

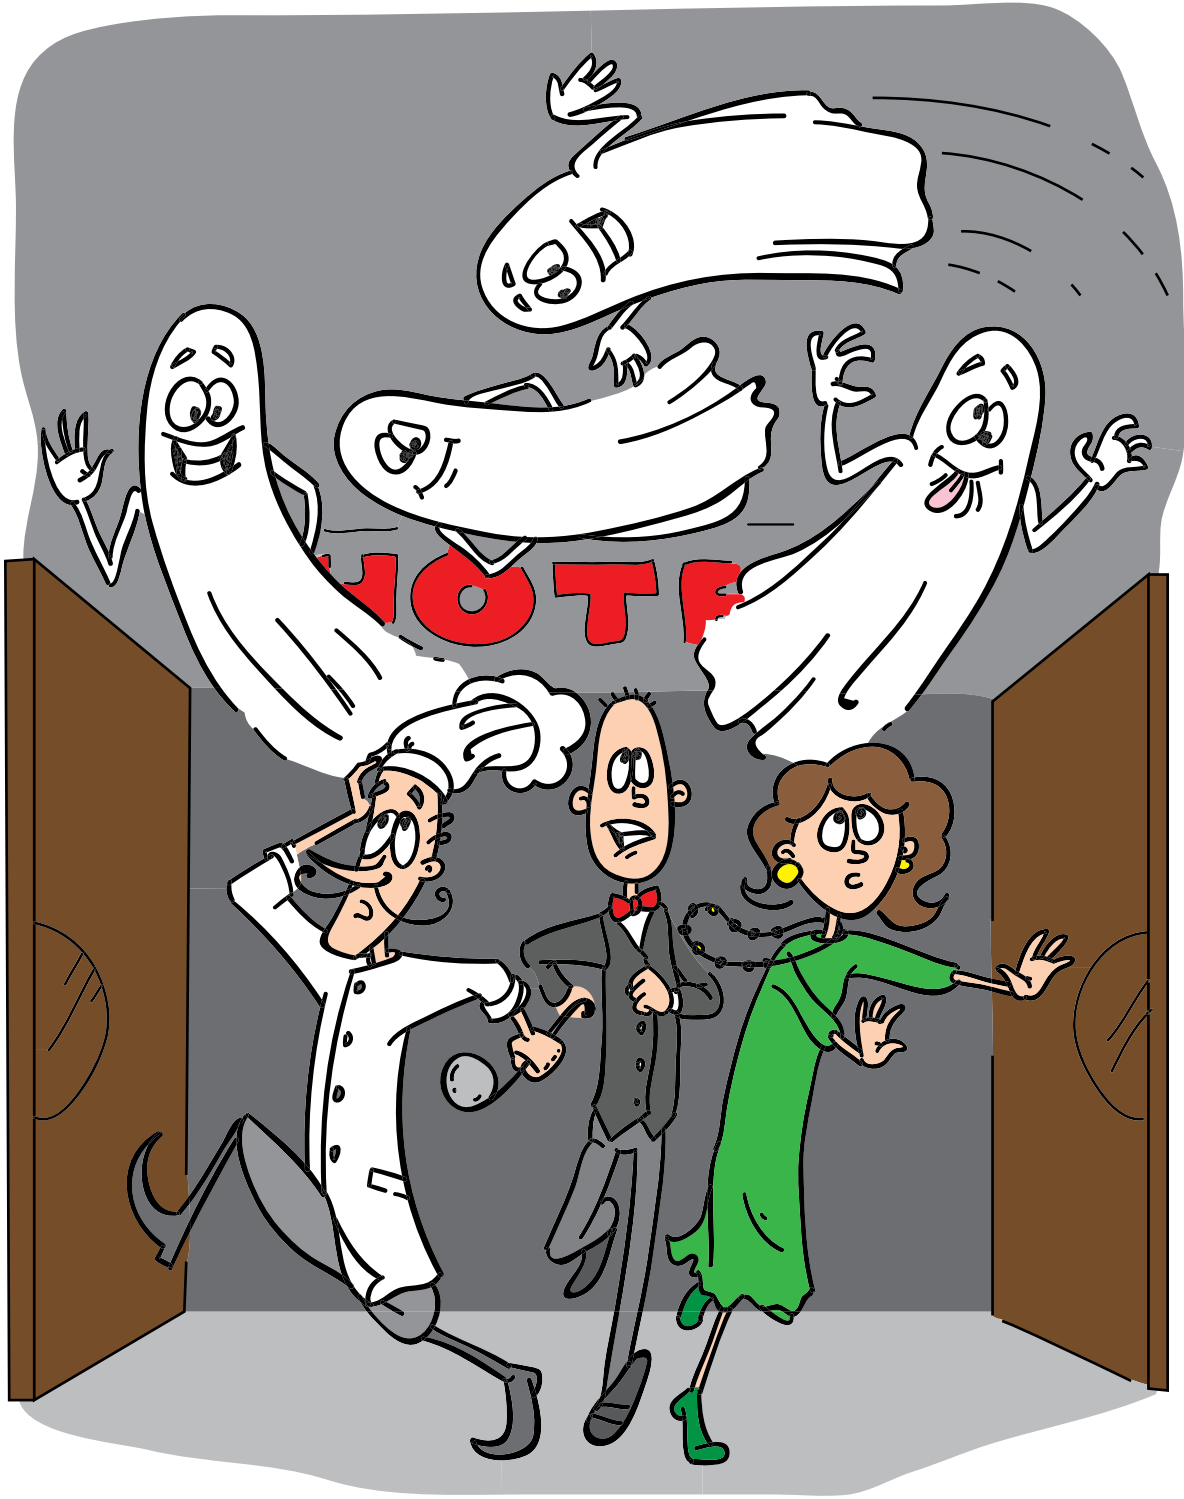

I like to scare the cooks in the kitchen by banging pots together hard!

I like to fly high above the
hotel and make scary noises!

I like to tip-toe quietly
behind people and then
shout!

Where are you going?
Come back!
