**Support Letter – Comme Toi Project (CIVIS Student Project 2025)**

To whom it may concern,

As CIVIS Ambassador at the University of Salzburg, I would like to express my interest for the Comme Toi project submitted within the framework of the CIVIS Student Project 2025 call.

In the name of the University of Salzburg and it's Civis Team I would like to give my support to the project's goals and approach, and I would be happy to be a partner/assist in finding partner organisations should the project be selected.

Kind regards,

Lena Schäfer

CIVIS Ambassador
