

Banana bread: my recipe

Cook and improve
your English

1.Match each picture with the right ingredient

baking powder

chocolate

ripe bananas

brown sugar

eggs

flour

butter

vanilla liquid

2.You will need the following utensils:

3 bowls

a mixing bowl

a plate

a whisk

an apron

a wheighing
scale

a silicone spatula

cooking paper

a cake mould

2. Useful vocabulary:

mix

add

weigh

melt = *fondre*

break

progressively

Serving 8 people

3.The recipe

40 minutes

220g flour

100 g chocolate

Baking powder (1 packet)

2 eggs

60 g brown sugar

1 spoon vanilla liquid

100 g butter

1. Mix the soft butter with the sugar and the vanilla liquid until it is smooth.
2. Add the two eggs and mix progressively.
3. Cut the bananas and add them to the dough.
4. Mix the flour and the baking powder together.
5. Add progressively the flour to the dough.
6. Cut the chocolate into pieces.
7. Add the chocolate chunks to the dough.
8. Put cooking paper in the mould and pour the dough in the mould.
9. Bake for 30 minutes at 180° in the oven.
