2- Correction des arguments:

- 1) Better relationships can be made with family members because they have to co-operate. PRO HOME
- 2) A proper timetable, with qualified teachers, guarantees a good, all-round education. PRO SCHOOL
- 3) Left to their own devices, kids will just play computer games or spend all their time on social media. CON HOME
- 4) Isolation can cause mental distress and even mental illness. Kids need to be socializing. CON HOME
- 5) Most accidents with kids involve school. At the best of times, this is not a safe environment. CON SCHOOL
- 6) You can learn at your own pace, be your own boss; there is no external pressure. PRO HOME
- 7) Lunch-time clubs and afternoon sports clubs are available; in fact, activities in most areas are freely available PRO SCHOOL
- 8) No grades, no deadlines, freedom! PRO HOME
- 9) You can take a break when you like and pace your activities as you like. PRO HOME
- 10) Competition with peers can be really motivational for many students; striving for that top grade can inspire you and really make you focus. PRO SCHOOL
- 11) Boredom can easily set in and there is no-one to stop you wasting your time. CON HOME
- 12) All students are placed in equal position and the gifted and talented learners have to wait for others. CON SCHOOL
- 13) Usually, there are lots of facilities: computers, interactive whiteboards and great sports facilities PRO SCHOOL
- 14) Total freedom makes you focus better. You gain a higher level of discipline and self-organisation PRO HOME
- 15) You have lots of people your own age around you. You can make many friends. PRO SCHOOL
- 16) My diet has suffered! The fridge is just too close. Also, we have a biscuit tin and a chocolate drawer! Fatal! CON HOME
- 17) I miss debating. I love it when we have whole-class debates. Sometimes it gets a bit rowdy, but it's such fun. PRO SCHOOL
- 18) It's much better having a set timetable for the day. When you have to be out of bed and dressed by a certain time, it is actually very good for you. PRO SCHOOL
- 19) Teachers offer a variety of learning methods and approaches, which ensures student participation. PRO SCHOOL
- 20) It's just not natural being cooped up away from your friends and all the fun things you enjoy. CON HOME

3- Eddy

Eddy has enjoyed the experience at first, but now he is bored.

He wants to go back to school, because he likes to experiment, and of course he wants to see his friends.
