The amusement parks I would like to go to

The amusement park where I would like to go to is Disneyland Paris, because I love their attractions, their decorations and their mascots.

I would like to go to Spooky Park, because I like to be afraid. If I could go with my friends, it would be even better.

I would like to go to Nigloland, because I love their rides. And I especially like the roller coaster and the attraction: « train de la mine ».

I would like to go to Walt Disney Studios Park, to see the new attractions from Marvel universe. And, it would be nice to see the employees cosplay.
